Most important of all, we want you to have fun and be safe.

So please read this document in full, as it will help to answer any pre-race queries and settle those nerves. It will also help us reduce our admin having to respond to questions and queries covered within this document.

As we simply do not have the time to respond to all queries in the lead up to the event.

WOOLER YHA #cancerresearch

One of the best parts of hosting the Wooler Trail Races and the Saint Cuthbert's Way Ultra is getting to spend time at the Wooler Youth Hostel which is run by Cindy Thatcher Wait and Karl Wait. There is always a warm welcome and big smile when we arrive. They have both been very welcoming and supportive of Trail Outlaws hosting events in Wooler.

We recently found out that Cindy Thatcher Wait has been diagnosed with cancer and is raising money for Cancer Research UK #cancerresearch

So we are asking everyone to consider making a donation to Cindy's Just Giving Page and we will be also collecting money at the Wooler Trail races in support of Cindy fund raising.

MANDATORY KIT

The mandatory kit must be carried at all times during the event. You will be asked to sign a disclaimer to say that you have packed all the mandatory kit.

The kit has been on the website since entries opened so there are **no excuses** for not having the required kit. Random kit checks will be carried out and runners will be disqualified if they do not have all the kit.

This event takes place in a remote location where access to a large portion of the course is not possible by vehicles.

DNF / RACE CUTOFFS

Cut offs for the event will be strictly enforced throughout.

If you do not leave the CP by the cut off time you will be withdrawn.

Cut off times are in place to ensure the integrity of the event as a running race and as a safety and comfort measure for all those involved including the event volunteers manning the CPs.

Should need to withdraw yourself from the race please do so at an official CP. You must inform the RD ASAP of your withdrawal as we will be monitoring runners through CPs and if we do not account for a runner we will have to implement emergency procedures.

**** Please Note ****

If you withdraw from the event you may face a wait to be transported to the finish area. Please bear this in mind when considering to carry on the event or not.

WOOLER YHA BUNKS

If you have booked one of the Bunks at Wooler YHA on the Saturday night, could you please start arriving from 17:30, last arrival will be 23:00, after this we will shut up shop for the night (as we will need the sleep also).

Sheets and bedding are provided, but you will need to fetch your own towel.

We have access to the full kitchen facilities on the Friday evening and Saturday morning. Again on Saturday evening and Sunday morning.

FINALLY

That's all the what's, whys and wherefores covered. Thank you for choosing to run with us here at Trail Outlaws.

We look forward to meeting you all at Wooler. There is always a great atmosphere at the end of this race and this thanks to you and the marshals.

So now it's time to put your feet up, check your maps, triple check your kit, panic about your training, panic more about your training, check the weather forecast on the hour every hour for the next week, buy that anti chafing cream you've been meaning to get and finally read this document at least a dozen times.

FIRST AID & EMERGENCY

We have the full support of Northumberland National Park Mountain Rescue Team providing the First Aid cover at the event. They will be situated at the event HQ and at CP 1.

Should you require First Aid at any other CP or location please contact the RD or CP staff numbers at the top of this document. Have them saved to your phone in case of emergency for this event.

We will then arrange for First Aid at your location.

If you find yourself or another runner in immediate need of emergency help (i.e risk to life and limb, not just bumps and bruises), contact race HQ or CP staff or sweepers who will then arrange for help.

If this is not an option and you are on the route that is not accessible by a standard vehicle the Mountain Rescue procedures are dial 999 and ask for police and then Mountain Rescue.

Do not panic, stay with the runner, use the foil bags and extra layers to keep warm and calm.

Alert other runners who can go for help. Use your maps to see where you are to be able to relay your location.

We do not anticipate this will be the case, but it is very important that you all know these lifesaving procedures when in the hills.

CHECKPOINTS

There will be 1 CP on the Half Marathon Route (see attached map).

CP1 7 miles.

These will have Water, Sweets & Coke Cola.

Please note that support is not allowed at the Yeavinger Bell checkpoint as it is located on private access roads.

Start / Finish

There will be hot drinks available at the finish Tea/Coffee/Bovril.

RACE ROUTE

The route will be fully signed and marshalled. **Please note there is a small signed diversion for the start/end as one of the woods is still closed for access.**

We always spend a lot of time diligently marking out course' however on occasion these markings do get removed by dog walkers and locals so please make yourself familiar with the online route map available on the event website and maps provided here.

We will be spending a lot of time marking out the course with highly visible flags and signs.

A map of the route can be downloaded here.

All photos are free after the event from Facebook and will go up post event. So feel free to tag and share away your misery (delight).

Our event this year like all our Trail Outlaws and Dark Skies Run events is supported by SCOTT Running UK. They have their UK headquarters in North East England and it was a great fit to partner with them for our local events. Their kit and in particular trainers are leading the way in UK and European trail running.
